Congratulations on your 2017 Greater Victoria Business Award for **Non-Profit of the Year!**

One of the key objectives of the City of Victoria's four-year strategic action plan is to create prosperity through economic development. I'm glad you are here to help us make this happen.

We have recently opened a new Business Hub at Victoria City Hall to make it easier to do business in Victoria. I hope that you will visit us at City Hall or online at Victoria.ca/business and let us assist you with any City-related business.

The Greater Victoria Business Award is recognition of your incredible contributions to our business community and to the vibrancy of our region. I often speak of Victoria as an entrepreneurial city that embraces collaboration, creativity and innovation – and it is thanks to people like you that I am able to say this.

It is a pleasure to celebrate your success, and we are proud to have you in Victoria!

Sincerely,

Lisa Helps
