

Facilitator- InclusionWorks!

Lifetime Networks is a not for profit society that offers support to people with developmental disabilities, Fetal Alcohol Syndrome and disabilities under the Autism Spectrum. We see a future where people with disabilities live safely in their communities, where they can fulfill their potential and enjoy lifelong friendships and support.

InclusionWorks! provides an individualized, age appropriate, community-based program for young adults with developmental disabilities. InclusionWorks! is a community inclusion model developed by and in collaboration with families of young adults with developmental disabilities who are eligible for CLBC support. Relying less on “traditional” service provision, IW families have opted for Individualized Funding from CLBC and promote effective community inclusion through a family governance model.

Job Summary

The InclusionWorks! Facilitator is responsible for helping to plan and deliver the activities of the InclusionWorks! group. The InclusionWorks! Facilitator reports directly to the InclusionWorks! Supervisor.
