

Dynamic Duos Volunteer Position

Role Summary

Lifetime Networks is a non-profit society that coordinates equal opportunities for people with disabilities to participate in our community. The Dynamic Duos Program is a service that connects participants with volunteers to provide assistance and companionship for leisure or recreational activities. Matches are made based on interests, availability, and location. The specific type and location of the activity will vary based on the needs and interests of participants and volunteers. After the volunteer onboarding paperwork is complete, the Dynamic Duos Coordinator will facilitate an initial meeting to introduce the Volunteer and Participant and arrange an initial schedule.

Responsibilities Include:

- Completion of onboarding paperwork
- Organizing and attending visits with your matched participant
- Communicating with Dynamic Duos Coordinator regarding volunteer hours
- Respecting the confidentiality of the participant and their family
- Facilitating equality of access to promote an active lifestyle

Qualifications:

- Double vaccinated against COVID-19
- Experience with individuals with a disability an asset.

Characteristics:

- Reliable
- Self-motivated
- Patient
- Flexible
- Interpersonal Skills
